Salon Topics for Salon Year 2018 - 2019			
Salon Month	**Media - Topic**	**Upload/Turn in By**	**Definition**
September	Digital -Repetition	8/2/2018	Any subject showing repetition of lines, shapes, objects, colors etc.
October	Print - Architectural Detail	9/6/2018	The image focuses on a portion of or a detail of a building.
November	Digital - Texture	10/4/2018	Since photographs are two dimensional, texture adds a sense of 3D complexity to them. Textures are an essential part of photography because they add drama, interest, variety, and even levels 0f storytelling to any photo. Textures can really make a black and white image come to life. Present a photo where texture is the main object or provides dimension and interest to the main object.
January	Print - Small Town	12/6/2018	Scenic or cityscape of small towns or populated locations, not suburbs, with population fewer than 10,000.
February	Digital - Events	1/3/2019	Images of guests and occurrences at any event or occasion. Examples: Parties, family gatherings such as reunions, sporting events, corporate or charity events. Any photographs taken at a City of Eagan event qualify. A person or group of people must clearly be the main subject and a dominant form in the image.
March	Print - Night Photography	2/7/2019	Anything shot after dark. Examples: Milky Way, Auroras, sports after dark, skylines, street shots, fair rides, etc.
April	Digital - Birds in Flight	3/17/2019	Images of birds in the process of taking off, flying, or landing. No hand of man.
May	Print - Travel	4/4/2019	Sell the location of your travel so others want to visit. It's not just a pretty picture, but rather causes the reader to plan their own travel. Must tell a story. Alterations to the image are acceptable, but the image must look realistic and no changing the scene or story by cloning things in or not.
